"Comrades, we are all aware that Zanu PF is at war from within and outside our borders," said the report.

It is tempting to conclude that in addition to lack of skills and financial resources among black farmers, power politics is also at play in Mashonaland West.

Zimra will have to pay billions of dollars in VAT refunds.

In a normal economy the government relies on tax to fund its operations.

It has also not received any directive from the Attorney-General of the Federation, Mr.

It has also not received any directive from the Attorney-General of the Federation, Mr.

Like the country, South Kivu has unlimited potential, from its physical beauty to hydro-electrical capacity to human and natural resources.

In this little cybercafe in the northern outskirts of Cotonou, Sourou focuses on

typing his note, a process he repeats week after week.

Only President Robert Mugabe and a coterie of party loyalists are backing the populist policy.

Mujuru and Gono are opposed to the price-slashing crackdown.

Real-life experiences at the heart of it Most of the youth said it was often a personal experience that convinced them to get involved in the fight against HIV and AIDS.

Columbium-tantalite is so vital to the high tech industry that without it, wireless communication as we know it would not exist.

Articles and commentaries that identify allAfrica.

"We seek to create a safe climate by affirming respect for President Mugabe, confirming the alignment of all parties and support for his national goals and ideals," the strategy said.

"Retailers have suffered most as those that had purchased goods at high prices made huge losses," the report says.

The crackdown has also hit revenue from exports as companies are forced to push their products into the local market to cover the shortages.

The project has also been unpopular with state media journalists.

"For example, in the big towns, there is considerable work to do, and that's not yet sufficiently understood by the majority of people.

It is almost certain that most manufacturing and retail companies will make huge losses this month.

"The coupon system has enabled companies, mines, and NGOs to run generators in an environment of frequent power outages," it said.

"These spontaneous initiatives are encouraged by more orthodox advocacy groups. Isn't the problem black farmers are facing one of capacity more than having white farmers as neighbours?

He said the farmer was "doing a wonderful job" of producing for the nation.

Meanwhile the nation is paying a heavy price through food shortages.

They said Nkomo, backed by Mnangagwa, suggested that Zanu PF cadres be deployed into the taskforce to push the party's political agenda.

The contraction of revenue levels will lead to a much higher budget deficit which will have to be financed by the domestic borrowing and money printing.

It was not immediately apparent what measures, if any, the party can take against offending websites.

Dealers in treasury securities use REPOS as a form of overnight borrowing.

If Zesa was not sending electricity to farmers, where was it going?

Resident Consultant to ICPC, Mr.

He reminded them that he had taken two oaths of office, one as an MP and the other as a minister, to serve the country.

So we have to do the work in their place.

Resident Consultant to ICPC, Mr.

Once known as the pearl of Congo because of its beautiful climate and mountains, the Bukavu I found last summer barely resembles the famed city I heard about as a child.

We find it hard to believe that Zesa Holdings is solely to blame for the farmers' disastrous performance in a year when they say they got all the inputs on time.

This racial purge is spearheaded by the Ministry of State for National Security, Lands and Land Resettlement headed by Didymus Mutasa.

This, the report notes, would make it difficult for Safaricom to project the risks and exposures associated with the loan.

He said UIF figures were a clear indication that domestic employers were increasingly complying with the law.

"It's very encouraging and it permits us to meaningfully evaluate the impact our work is having.

"Is it because he is afraid that the party will disintegrate?

"The report says as a result of the slashed prices, retailers are not able to restock finished goods as manufacturers cannot produce and sell at levels below pr

duction costs.

"Mujuru's husband, Solomon Mujuru, told the politburo that Zanu PF needed proper policy formulation and planning to become "more pro-active than reactive".
